HOWARD COMMUNITY COLLEGE
Workforce, Career & Community Education

Apprenticeship Programs!

Howard Community College has long been recognized as the primary hub for higher learning in Howard County. We know that life goals can be achieved through education. Apprentices receive valuable job training through a combination of classroom learning and paid, on-the-job training.

HCC has partnered with local businesses to create robust apprenticeship programs to meet the needs of the future workforce. Choose from the following high-demand career paths:

- Biomedical Equipment Technology
- Construction Management
- Child Care Professional
- Electrical
- Heating, Ventilation, Air Conditioning, Refrigeration (HVACR)
- Help Desk Technician
- Information Technology (IT)
- Licensed Practical Nurse (LPN)
- Plumbing
- Surgical Technician

WESLEY BENNETT
Plumbing Apprentice

“It's never too late to start a new career. I decided to become a plumbing apprentice after working in other industries. Now I'm positioning myself to learn a trade in a high demand industry that will lead to a successful career.”

Pursue Your Passions

Learn and grow with our courses covering finance, art, history, music, literature, wellness, and more. Expand your mind, express your creativity, and learn for the fun of it. Here's a sample of our new classes!

New! PERSONAL ENRICHMENT COURSES

- Building Native Gardens for Pollinators
- Dance On Broadway
- Hand Patchwork for Beginners
- Healthy Sweets and Treats
- Holy Soundtrack Album, Batman! The Golden Age of TV Music
- Stories of Promise and Potential in the Second Half of Life
- Thaddeus Stevens, Pennsylvania Pugilist
- Women of Ancient Thru Tokugawa Japan: A HERstory

RIDER SCHOOL: MOTORCYCLE SAFETY COURSES

Whether you are just starting out or need to brush up on your skills, Rider School can help you get started. We offer MVA-approved classes taught by experienced instructors who will prepare you to earn your Maryland State motorcycle license.
