## HCC has two options for earning your diploma as an adult

### GED

Whether it's been two or 20 years since you were last in a classroom, we have the courses to prepare you for all four subject tests on the GED: Language Arts, Math, Science, and Social Studies.

GED classes are great for students who want a structured learning experience.

### National External Diploma Program (NEDP)

Work one-on-one at your own pace with an advisor to demonstrate high school skills using your knowledge and ability.

Qualify into the NEDP program by passing Reading, Writing, and Math tests. The NEDP program is great for independent learners with strong technology skills.
